**Research work published in the form of book -Primary Education in Sirsa District of Haryana: A Case Study: *Twenty First Century Publishers, Patiala, Punjab – 2010.***

**Title of Paper:- Swami Dayanand as a Reformer**

**Abstract**

*Swami Dayanand Saraswati is certainly one of the most powerful personalities who has shaped modern Indian and is responsible for its moral regeneration and religious revival. Swami Dayanand has worked for abolishing several social stigmas such as child marriage and Casteism. He not only helped society get rid of a myriad of orthodox practices, but also built the social structure for future reforms in India.*

*Indeed, the reforms of Swami Dayanand Saraswati had inspired the Indians immensely. The reforms which Dayanand carried on through the Arya Samaj are certainly memorable. Through various social, religious and other reforms Dayanand established the superiority of the Veda. The Anglo-Vedic Colleges established by Dayanand Saraswati, later on, played a vital role for the spread of education in the nook and corner of our country.*

*The founder of the Arya Samaj. The great sage who sought to restore to Hinduism its natural radiance and wisdom. A fearless reformer. He saved the man who poisoned him - so boundless was his goodness.*

*Prahlada V. Kulageri*

**Title of Paper:- Competency Based Teacher Education System**

**Abstract**

*In the present paper, the writer has highlighted the core competencies and skills required in would be teachers, that are commitment, leadership, know the subject, classroom management, integration of professional and humane skills and Techno-Pedagogy Skills and ICT literacy. Because the teacher is the pivot of the entire education system and is the main catalytic agent for introducing desirable changes in the teaching learning process, all attempts need be made to improve the competencies and skills of the would be teachers. So that it can gift us the quality and competent teachers capable of meeting the diverse needs of each and every student irrespective of their abilities and disabilities.*

**Publication: in a Book Titled “Competency based Teacher Education System” with ISBN: 978-93-85447-65-5 by B.S.K. College of Education, Mandi Dabwali.**

**Title of Paper :- Effect of Parental Encouragement on Self Concept of Senior Secondary School Students**

**Abstract**

*The aim of the present investigation was to study the effect of parental encouragement on self concept of senior secondary school students. For the purpose of the present study, a sample of 200 secondary school students (100 male and 100 female) of Sri Muktsar Sahib District was chosen with random sampling technique. The Self concept questionnaire by Dr. R.K. Saraswat and Parental Encouragement by Dr. Kusum Aggrwal was used to measure self concept and parental encouragement of senior secondary school students. The data was analyzed using Mean, S.D, correlation and t-test. The findings of the study revealed that there exists significant correlation between parental encouragement and self concept of school students*
